

Managing Interns Is Challenging.
Symba Makes It Easier.

Our Mission

“Create valuable experiences -
one internship at a time.”

About Us

Symba is a comprehensive **internship management platform**. Our easy-to-use software allows companies to manage the entire internship experience, including:

1. Training
2. Project Management
3. Feedback
4. Intern Engagement

Symba also generates insightful reports to help track your interns' performance and overall internship program success.

Our Team

Chief Executive Officer **Ahva Sadeghi**
Chief Technical Officer **Nikita Gupta**
Chief Marketing Officer **Ellen Zhang**
Chief Strategy Officer **Tamara Estrella**
Biz Development Director **Paula Moras**

We are proud to be a diverse,
all-female startup team. As
former interns, we *know*
internships.

Try Symba Now

We are currently running our beta program through December 2018 for fall internship programs. Become one of Symba's early users and get access to our new features as they roll out.
